

SOURCES SOUGHT NOTICE 2032H5-26-SS-0042

Department of the Treasury - Internal Revenue Service (IRS), Office of the Chief Procurement Officer.

Title: Enterprise Cloud Migration and Managed Services. NAICS 541512. PSC DA01.

1. Purpose. This is a Sources Sought notice issued for market research purposes only. It is not a request for proposal, quotation or offer, and the Government will not pay for information received.
2. Background. The IRS operates approximately 400 workloads in the Kansas City and Ogden data centers that support taxpayer services and internal operations. The IRS intends to move these workloads to a FedRAMP authorized cloud and to obtain managed operations for them.
3. Eligibility.

This requirement is being considered as a total small business set-aside under NAICS 541512 with a size standard of \$34 million.

Respondents must be registered and active in SAM.gov at the time of response.

Respondents must hold an active FedRAMP Moderate authorization or be a partner of a FedRAMP Moderate authorized cloud service provider.

4. SCOPE OF WORK

The anticipated scope covers migration, operations and transition of the workloads described in section 2.

4.1 The contractor shall migrate approximately 400 on-premises workloads from the Kansas City and Ogden data centers to a FedRAMP Moderate cloud environment within 24 months of award.

4.2 The contractor shall provide 24x7 managed operations including monitoring, patching and incident response for all migrated workloads.

4.3 The contractor shall develop a migration wave plan within 45 calendar days of award.

4.4 The contractor shall maintain a Recovery Time Objective of four hours and a Recovery Point Objective of one hour for Tier 1 applications.

4.5 The contractor must ensure that all personnel with access to Federal Tax Information complete IRS Publication 1075 background investigations before access is granted.

4.6 The contractor should propose an approach for FinOps cost optimization and monthly cost reporting.

4.7 The contractor shall provide a transition-out plan 90 days before the end of the contract.

5. RESPONSE FORMAT

Responses shall not exceed 10 pages, excluding the cover page.

Use 12-point Times New Roman font with one-inch margins on letter-size paper.

Submit the capability statement as a single PDF file.

File names shall follow the pattern `CompanyName_IRS_SS_0042.pdf`.

Include the company name, UEI, CAGE code, business size and socio-economic status on the cover page.

6. Submission Instructions.

Responses must be emailed to the Contracting Officer at market.research@irs.example.gov no later than 2:00 PM Eastern Time on October 30, 2026.

The email subject line must read 'Sources Sought 2032H5-26-SS-0042 - Company Name'.

Questions must be submitted in writing by October 16, 2026; telephone inquiries will not be accepted.

7. EVALUATION OF RESPONSES

The Government will review capability statements to determine whether a small business set-aside is appropriate.

Responses will be reviewed for demonstrated experience migrating at least 200 workloads for a federal agency within the past three years.

The Government will assess the relevance of past performance in FedRAMP Moderate environments handling Federal Tax Information.

The Government will consider the respondent's ability to provide cleared staff in Kansas City, Missouri and Ogden, Utah.

Capability statements should identify any teaming or subcontracting arrangements and the percentage of work to be performed by the small business prime.

8. Disclaimer. This notice does not obligate the Government to award a contract. All information is to be provided at no cost.
